PERSONAL PROJECTS

Online Book Inventory (GROUP PROJECT) (03/2022 - Present)
▫ It's a online book inventory where one can find any book of his/her interest. One can also read book online or can buy it or else can have it on rent. The site stores data of user, issue details and book details. One can directly search for any book.
▫ GitHub-link:- https://github.com/shaffy-garg/Online-book-inventory.git

A video sharing website (YOUTUBE CLONE) using HTML, CSS, JavaScript.
 (06/2022 - Present)
▫ In this project I have done video sharing website design like YouTube using HTML,CSS and JavaScript and this website design is completely inspired by YouTube.
▫ I have created two pages, First page of this website is home page with left sidebar, one banner and list of videos with thumbnail, videos title and channel info, then second page created of this website that is video watch page. On this page video and video information, channel information, list of comments is added.
▫ GitHub-link:- https://github.com/shaffy-garg/youtube-clone.git

Portfolio (12/2022 - Present)
▫ GitHub-link:- https://github.com/shaffy-garg/Portfolio.git
